A New Approach To African Issues

THE 1st GLOBAL NETWORK
OF AFRICAN CITIZENS
FOR PANAFRICAN DEVELOPMENT

OUR MISSION

Avenir Nepad International (ANI), an organization based in Paris, France

- * Two main priorities: to mobilise the African Diaspora worldwide, and build capacity through participative contribution from all citizens
- * Advocate in western countries so that western policy makers take Africa's future into consideration during decisive debates
- * Promoting actions that keep NEPAD a central priority for African governments
- * Bringing together the intelligentsia and active actors wishing to promote socio-cultural, and economic development
- * Training and informing citizens' hands-on approaches about actions that can help implement NEPAD in Africa

OBJECTIVES OF THE GLOBAL NETWORK

- ✦ Putting in place an intercontinental platform for civil societies working on African Union and its economic branch, NEPAD
- ✦ Contributing to the reinforcement decentralisation of cooperation between international agencies, local authorities, private sector and african diaspora
- ✦ Reaching out to Africa's 5 subregions, beyond cultural, social, national and sometimes ethnic differences
- ✦ Encouraging the African diaspora to become the 6th dynamic regional force

OUR RESOURCES

- * Hundreds of participating members beyond national borders, mainly motivated and skilled African citizens from diverse professional and social backgrounds
- * Local offices in Africa to support and develop our actions
 - West Africa:** Benin, Burkina Faso, Ivory Coast, Guinea, Mali, Niger, Senegal, Togo
 - Central Africa:** Cameroon, Central African Republic, Congo, Democratic Republic of Congo, Gabon
 - East Africa:** Djibouti
 - Southern Africa:** Under development
- * Local offices in western countries to actively lobby: Belgium, Canada, France, Germany, Italy, Spain, United Kingdom
- * Offices under creation: Algeria, Comoros, Madagascar, Morocco, South Africa, USA
